

## The Heartsaver® First Aid CPR Training

The Heartsaver First Aid, Heartsaver CPR AED, and Heartsaver First Aid CPR AED courses are designed to prepare students to provide first aid, CPR, and automated external defibrillator (AED) use in a safe, timely, and effective manner. This video-based, instructor-led course is designed to prepare students in how to manage an emergency until advanced medical professionals arrive. Heartsaver courses are designed to be flexible and customizable with optional modules, and are intended for anyone with little or no medical training who needs a course completion card for job, regulatory (e.g., OSHA), or other requirements.
